2021-2022 IRA/Pension Rollover Statement

Distributions from pensions, annuities, and other similar accounts are usually reported on IRS Form 1099-R. Federal regulations state that when receiving a lump-sum distribution, it can be rolled over into another qualified retirement plan or IRA and retain the tax-deferred status.

Please review your individual tax return and complete the table below if all or some of an IRA/Pension has been rolled over in 2019.
