**2022-23 Discharged Loan/Disability Statement**

We have completed the initial review of your 2022-23 Free Application for Federal Student Aid (FAFSA). Through a database match, the U.S. Department of Education has identified that you had one or more loans discharged because of a total and permanent disability.

Before we can determine if you are eligible for another student loan, **please select the applicable statement, attach the appropriate documentation**, and return it to the Financial Aid Office. For federal financial aid purposes, the phrase “substantial gainful activity” means a level of work performed for pay that involves doing significant physical or mental activities or a combination of both.
