

18th Annual Brown County Golf Classic

September 8, 2021
Brown County Golf Course

As an event sponsor, you become a partner with Brown County and the Green Bay Packers in efforts to serve our community's children and young adults. Funds raised provide scholarships to promising Brown County high school graduates who typically would not have the opportunity to pursue an education at NWTC due to economic barriers.

Your support gives high school seniors the belief that— **yes, I can go to college!**
